Chairman's Message – What's Next?

By Jeff Blakeslee

Throughout my life I've been a "what's next" type of guy. The truth be told, when I'm involved with a project it seems to bring focus to my life. It's true that midway through a project I'm often wondering "what was I thinking by starting another project", but at least thus far in my life I have been able to I get it together and push on to completion. I often tell myself that maybe this is the last project, but so far that has never been true.

My '63 injected SWC project is done, judged, and now sold. My '64 is my driver for car shows, cruises and the like, but it's fully restored and requires only maintenance. Of course there are other projects around the house, plus working a few days a week, and a couple of other hobbies, but that's not the same as a serious restoration. In short, I find myself both loving and hating not having a current Corvette project. On one hand it's

given me time to catch up around the house and play more guitar, but on the other hand I miss the mental and physical occupation.

I think for this year I may stay on the sidelines. I have a couple commitments with other folk's cars that will keep me busy enough. But I'm starting to feel open to the idea of a new project. That said, choosing is not as easy as it once was. With more knowledge the choices become more complex. Once upon a time I just dreamed of owning a restored C2 Corvette. I was not thinking about resale value, prestige, or anything like that. I was driven simply by the love for a car and the task of doing the best job I could – I miss those days. But alas, as we get wiser and more experienced, we also get pickier and find more excuses why one car or another is not the right project. Maybe that's all a self-defense mechanism to keep us from starting another project at all, but it's a reality that can't be dismissed.

It could be that right now I'm actually in the best part of this hypothetical project... thinking about it but not having to do it. I can study up on the possibilities, imagine what each might be like, research parts and resale values. I can drive hundreds of miles to look at a car, only to turn around and head home again empty handed. I can spend my evenings on the internet looking for possible candidates, read the "for sale" ads in the Driveline, all the time not actually having to spend any money. Most of all, I can enjoy a clean garage without parts of a project stored in every nook and cranny. This all leaves me wondering if Leonard Nimoy (as Mr. Spok) may have been spot on when he said, "the wanting is often better than the having".

NCC Board Meeting Minutes – November 12, 2024

Jeff Blakeslee called the Board Meeting to order at 6:29 pm.

Attendees: Chair Jeff Blakeslee, Vice Chair Sharyl Ingham, Secretary Sandy Houck, Judging Chair Mike Ingham, Dave Houlihan, Bob Bohm

Verify Quorum:

Four out of five Board members were present.

Secretary Report:

The Board approved the October minutes as submitted by Sandy.

Treasurer Report:

Chris was absent. Jeff has talked to Chris about posting reports. We are concerned that Chris may not be keeping up with Treasurer activities.

Membership Report:

Sharyl reported membership increased from 113 to 114.

Editor:

The Vettectera was posted on the website and notice sent to members on the first of the month.

Los Gatos Spring Meet:

Sharyl has made the arrangements with the Los Gatos Lodge. Mike will post the announcement in the Driveline. Bob Grauer will conduct a Judging School.

Old Business:

The Novato Nostalgia Days was a fun event with a good location and nice Corvette owners. Thanks to North Bay Corvette Association for including us. We'll plan this to be an annual event.

Jeff emailed an invitation to members asking who would like to join a text group to notice impromptu get-togethers. Hoping this will take off and allow members to meet periodically.

Jeff, and hopefully a volunteer, will work on organizing member garage visits after the first of the year.

We considered having a mini-Meet to judge Bob Grauer's '69 but will now wait for the Los Gatos Spring Meet.

Board Meeting adjourned at 6:53 pm.

NCC Meeting Minutes – November 12, 2024

Jeff Blakeslee called the meeting to order at 7:00 pm and welcomed 24 members. He asked for introductions stating where we live and the Corvette(s) we own. Instead of a Question of the Evening, Jeff asked us to simply talk about our cars. Some interesting notes: Joe LeMay achieved a PV in his '57; Mark Albertson is completing his '55 frame-off restoration; Ted Wilm is a returning member since he's returning to Northern California; Art McNay was an honored veteran at the Petaluma Veterans Parade; Marci Albers lead the Parade

in her '67 convertible which leaked in the rain; Mark Pellowski remembered Mick Swezey as his high school PE teacher; Bob Grauer has a 2025 on order; Sandy Houck was surprised that three green '67 SBs including hers were at Napa Cars 'n Coffee.

Election of 2025 Board of Directors:

A motion to retain the current Board was approved.

Technical Discussion Board:

Rick Gower said there was no significant activity currently.

Bob Grauer said that a discussion was just posted about some C2 trim tags that were mis-stamped at the factory.

Show and Tell Slide Show:

Jeff Taylor gave a presentation about the current restoration of his '66 SB convertible. He bought the numbers matching car through eBay nine years ago. When he started tinkering, he found that the car had previously been restored somewhat incorrectly and not at NCRS standards. So, he pulled the motor, lifted the body, got lots of correct replacement parts, rebuilt the frame, repaired body panels, had all repainted, made small fiberglass parts, redid the top, and is now completing the assembling. We were impressed that Jeff is meticulous in his attention to all the details. When he finishes and brings the car out for judging, expect to see a beautiful silver convertible.

Los Gatos Spring Meet:

Bob Grauer is planning a judging school about C1 through C6 interiors.

Adjournment:

The meeting adjourned at 8:00 pm.

The next Zoom meeting will be Tuesday, December 10 at 6:30 pm for the Board Meeting and 7:00 pm for the General Meeting

Respectfully,
Sandy Houck, NCC Secretary

Food For Thought

By Sharyl Ingham

Get ready to hear more about "Daylighting" if you haven't already heard about it. Parking is at a premium everywhere in California and it seems people find that parking at corners is acceptable. However, this is extremely dangerous for pedestrians so starting January 1st, there will be absolutely no parking

permitted closer than 20' from the corners. This new law makes good sense and will save lives!

Let's all start slowing down during this busy holiday season. Sure, there are plenty of things to do but if you are all stressed out what good are you? Nobody will know the difference if something goes amiss.

Please join with me to congratulate and extend best wishes to our members that have December birthdays, starting with Cathy Miranda, December 1st; Karen Pennachio, December 5th; Willow, December 7th; Maxine Kirkpatrick, December 8th; Casey Noel, December 12th; Carol Bohm, December 18th; Jeff Cheney, December 19th; Mac Cross, December 20th; George Barby, December 22nd; Nancy Springer and Joe Pennachio sharing December 23rd; Stefani Brown and Mike sharing December 26th; and Tom Barr, December 29th.

There are the usual noteworthy Days of December starting with Pearl Harbor Day, December 7th; the First Day of Winter, December 21st; Christmas and Hanukkah begins at sunset, December 25th, and New Year's Eve, December 31st.

Since I first started writing these columns for the Vettecetera I have mostly signed off by saying something along the lines to always be kind and it just seems more important now than ever to me to keep passing that along!

On behalf of Mike and I, we wish you Peace!

See you on Zoom, December 10th!
